Reflection Questions for Conversations

We invite you to take a few moments to reflect on these questions – and then write down your responses or any new questions that arose for you.

Identify the ministry you are reflecting on:

1. What do you value and cherish most about your ministry
Why did you choose to be active in this ministry? What do you most enjoy about it?
Think about a time when you felt most excited about what you were doing? What happened?

2. What are our strengths? What is our value to the congregation and/or community?
What is the best part of this ministry? What do we really do well? What do others value about what we do? Think about a time when you saw or experienced the power of this ministry.

3. What are your hopes and dreams for the future of this ministry? In five years, what would you like to see happening in this ministry at St. Luke's?
If you could wave a magic wand and have your dreams for this ministry come true, what do you see? What changes have occurred? What are people saying about your ministry in 2021?

Anything else you would like us to know about your ministry?
